JUNE 1991

Through the cooperative efforts of the Alaska Agricultural Statistics Service, the Alaska Division of Agriculture, University of Alaska's Agriculture and Forestry Experiment Station and Cooperative Extension Service, we are proud and honored to present you our 30th Annual Agricultural Statistics Bulletin.

This year's bulletin updates all crop data for 1988 - 1990 with selected years back to 1960 and all livestock and poultry data for 1989 - 1991 and selected years back to 1961.

We found some changes in the tables. Please change the following tables to read: Pg. 10 Value Of Sales by Type, Area, Instate Wholesale Sales, Anchorage 1990 reads $4,880; should read $4,500. 1986 Railbelt reads $2,365; should read $4,880. Growing space by type, area, Greenhouse, Mat-Su - 1986 reads 9.8 sq.ft.; should read 99.8 sq.ft. Pg. 23 Grain Silage, area harvested acres, Matanuska Valley 1990 reads 200; should read 100. State total 1990 reads 300; should read 200.

If you have any questions about the data in this bulletin or recommendations for future bulletins, please let us know.
